## Find a Fellowship

Enriching experiences, exploration of aquatic science in real-world settings, plus mentoring and stipends—find a fellowship that fits your interests. Wisconsin Sea Grant/Water Resources Institute are pleased to highlight these 2018 and 2019 opportunities.

### **Dean John A. Knauss Marine Policy Fellowship** [seagrant.noaa.gov/Knauss](http://seagrant.noaa.gov/Knauss)

This competitive Sea Grant program provides a one-year internship either on Capitol Hill or with a federal agency in the Washington, D.C., area. It is strongly recommended that applicants set up a meeting with the Wisconsin Sea Grant Director James Hurley (via [terri@aqu.wisc.edu](mailto:terri@aqu.wisc.edu)) well in advance of the Feb. 23, 2018, application deadline.

### **Great Lakes Commission-Sea Grant Fellowship** [glc.org/about/scholarships-fellowships](http://glc.org/about/scholarships-fellowships)

This fellow works with members of the Great Lakes' science, policy and information/education communities to advance the environmental quality and sustainable economic development goals of the Great Lakes states. Apply by Feb. 16, 2018.

### **National Marine Fisheries Service/Sea Grant Joint Graduate Fellowship Program** [seagrant.noaa.gov/NMFS-SG-Fellowship](http://seagrant.noaa.gov/NMFS-SG-Fellowship)

This two- or three-year fellowship is open to U.S. citizens who are graduate students enrolled in Ph.D. degree programs in academic institutions in the United States and its territories and are interested in population and ecosystem dynamics of living marine resources and the development and implementation of quantitative methods for assessing their status. Apply by Jan. 26, 2018.

### **NOAA Coastal Management Fellowship** [coast.noaa.gov/fellowship](http://coast.noaa.gov/fellowship)

This two-year fellowship provides on-the-job education and training opportunities in coastal resource management and policy for post-graduate students. Apply by Jan. 19, 2018.

### **J. Philip Keillor Wisconsin Coastal Management-Sea Grant Fellowship**

Wisconsin Sea Grant and the Wisconsin Coastal Management Program are excited to offer a fellowship for postgraduate students, named in honor of Phil Keillor, an esteemed Great Lakes coastal engineer who worked nearly 30 years for Wisconsin Sea Grant. This one-year fellowship provides on-the-job education and training opportunities in coastal resource management and policy, hosted at the Wisconsin Coastal Management Program. Check [go.wisc.edu/7x4056](http://go.wisc.edu/7x4056) for more information in December 2017.

### **Wisconsin Water Resources Policy Fellowship**

The University of Wisconsin Water Resources Institute is teaming up with the Wisconsin Department of Natural Resources and the Wisconsin Geological and Natural History Survey to provide this one-year fellowship. This opportunity provides on-the-job training in water resources, science and policy. Check [wri.wisc.edu](http://wri.wisc.edu) for deadline information in early 2018.

Further details can be found at the "students" tab at [seagrant.wisc.edu](http://seagrant.wisc.edu).
