Find a Fellowship

Enriching experiences, exploration of marine science in real-world settings, plus mentoring and stipends—find a fellowship that fits your interests. Wisconsin Sea Grant is pleased to highlight these 2013 and 2014 opportunities.

Dean John A. Knauss Marine Policy Fellowship

This competitive program provides a one-year internship either on Capitol Hill with a lawmaker or a Congressional committee or with a federal agency in the Washington, D.C. area. For 2014 placements, apply by 5 p.m. Feb. 15, 2013.

Sea Grant/NOAA Fisheries Graduate Fellowship

This fellowship is open to U.S. citizen Ph.D. candidates who wish to pursue work in population dynamics and marine resources economics in a summer experience under the supervision of the National Marine Fisheries Service. The FY 13 opportunity deadline is Jan. 25, 2013.

NOAA Coastal Marine Fellowship

This two-year fellowship provides on-the-job education and training opportunities in coastal resource management and policy for postgraduate students. At the same time, it provides project assistance to state coastal zone management programs. Apply by Jan. 25, 2013.

Great Lakes Commission-Sea Grant Fellowship

The Great Lakes Commission-Sea Grant Fellow works with members of the Great Lakes' science, policy and information/education communities to advance the environmental quality and sustainable economic development goals of the Great Lakes states. Applications for the 2013 opportunity are due Feb. 1, 2013.
