

GREAT LAKES WATER LEVELS INFORMATIONAL MEETING

What's in store for Winter/Spring 2020

An informational meeting on Great Lakes water levels, which have been above or near record highs.

Wednesday January 15th, 2020
6:00 to 8:00 pm

Brown County STEM Innovation Center
Flex Space Room
2019 Technology Way
Green Bay, Wis 54311

See Extension Brown County website for directions:
go.wisc.edu/461453

Topics to be discussed will include:

- Outlook for water levels this winter and spring
- Coastal processes and the impacts of water levels on the coast
- Erosion control authorization requirements

Who Should Attend? Anyone interested in learning about what to expect of the water levels of the Great Lakes and how it may impact the coast. ALL ARE WELCOME!

Can't Attend in Person? Join the meeting virtually at zoom.us/j/387618703
