

## A PLAY IN POETRY BY DAVID DANIEL

A half-hour, whimsical, audience participation theatrical performance about marine debris. Performance is open to all, but created for upper elementary students to adults.

This work was funded by the University of Wisconsin Sea Grant Institute under grants from the National Sea Grant College Program, National Oceanic and Atmospheric Administration Marine Debris Program, U.S. Department of Commerce, and from the State of Wisconsin. Federal grant number NA210AR4170267, project number E/ELWD-21.
