POINT IN TIME

Directions

Review the timeline of events in the book on p. 106-107. Then choose five events you feel impacted sturgeon populations and find the page or pages in the book that cover each of your chosen events.

Event 1

a. Event title:

b. Event year(s):

c. Citation:

d. Brief description of event:

Event 2

a. Event title:

b. Event year(s):

c. Citation:

d. Brief description of event:

Event 3

- a. Event title:

- b. Event year(s):

- c. Citation:

- d. Brief description of event:

Event 4

- a. Event title:

- b. Event year(s):

- c. Citation:

- d. Brief description of event:

Event 5

- a. Event title:

- b. Event year(s):

- c. Citation:

- d. Brief description of event:

Most Influential Event

From your list of five events, pick a single event that you believe had the largest impact on lake sturgeon populations. Be sure to defend your position.

Most influential event:

Why was this event the most influential on sturgeon populations?
